JUNIOR TENNIS CLINICS (Ages 9 – 14)

The Mark Dickson Tennis Academy is offering High Performance tennis clinics to area students, ages 9 - 14. This is a chance to **play tennis and train in the mornings before school and/or immediately after school**, just as many of the top junior players in the world train, under the direction of Mark Dickson, one of the country's premier tennis & fitness coaches. Mark is a certified USTA High Performance Coach, has developed the games of some of the nation's best juniors, including two # 1 players, and was formerly one of the top ATP Tour players in the world.

The Aces morning and after school program is designed for the advanced beginner and intermediate player learning to compete, looking to advance to a more competitive level at tournaments and play for their school team. Students will focus on proper fundamentals, footwork and movement, shot patterns, developing points, concentration skills, a positive attitude and fitness. Our training program blends proven drills, games and team competitions for an exciting experience.
