**ACADEMY REGISTRATION POLICIES:**

In order to ensure the highest quality in our programs students will be divided by ability level and may train in shifts to receive more individual attention. Our Elite and High Performance programs schedule is based on a 37 week year (185 days) to coincide with the Sarasota County school calendar. Academy holiday camps are offered during the holidays for Thanksgiving, Christmas and Spring Break. All students must register in advance by registering online, calling us at 356-4932 or emailing us at karen@markdicksonstennis.com. All programs are based on a minimum number of registered students per court for a clinic to be held. Monthly payment is due in advance on the 1st day of each month. Families choosing to pay on the Monthly schedule pay for the single week in August and then monthly thereafter. No refunds or credits will be given for missed sessions due to travel to tournaments, school team matches, partial weeks, outside match play or rain days. Rain make-up days will be on Saturdays or through extended or additional week day sessions. Credit requests related to a legitimate physical injury must be accompanied by a signed note and medical report from a duly licensed medical doctor.
